

Thanks Its 2008 Annual Celebrity Golf Tournament Sponsors

Wheels of Dreams Celebrity Golf Tournament Ace & Birdie Sponsors during event appreciation presentation

On October 20th, the Atlanta Black McDonald's Operators Association (BMOA) hosted the 9th Annual Wheels of Dreams Celebrity Golf Classic at the Crystal Lakes Golf & Country Club. This event served as one of the foundation's major fundraisers as an effort to support its mission, which is to "Create Future Business Leaders."

The Wheels of Dreams Youth Foundation is a non-profit 501 (c) 3 interactive life skills and educational program that helps inner-city, and underserved teens with college assistance through scholarships, employment preparation, financial planning, mentoring and entrepreneur training.

The Wheels of Dreams Mobile Life Skills Classroom offers free interactive computer educational lessons in English and Spanish.

The core mission of the Wheels of Dreams Youth Foundation is to empower youth to push back the negative influences of drugs, gangs and violence through mentoring, entrepreneur and life skills training.

Since its inception, more than 8,000 students' lives have been impacted by the services provided by the Wheels of Dreams Youth Foundation. Through the on-going support and contributions of corporate donors and sponsors, the Wheels of Dreams Youth Foundation has awarded twelve students with nearly \$20,000.00 in scholarship funds.
