

BMOA

Black McDonald's® Operator Association

The Black McDonald's® Operator Association, (BMOA), thanks the Sponsors for their support of the Fifth Annual Celebrity Golf Classic to benefit the Youth Foundation and their help in "Creating Future Business Leaders."

The BMOA is helping address challenging issues for "at-risk" high school students with the Youth Foundation. More than 1,800 students have visited the unique Youth Foundation programs that provide pathways to their dreams and tips on becoming an entrepreneur.

The Youth Foundation is a non-profit 501 (c) (3) organization providing free, innovative and supplemental educational programs for urban and suburban high school students. This on-going program offers entrepreneur ideas and mentors, computer skills, job, career, money management, healthy eating and exercise tips. The mission of the Youth Foundation is to help high school students push back the negative influences of gangs, drugs and violence and achieve their positive dreams.
